- Only post qualification work experience of the candidate until 23.10.2020 will be considered.

Note:

The candidate should have professional experience in industrial projects and should have experience in working on entire span of the design process. Candidate should have good experience in Design Research. The candidate should have good skills to manage academic programmes.

It shall be noted that admittance to various stages of the recruitment will be provisional only, and will not confer any claim unless various other conditions of selection processes are satisfied. Detailed scrutiny of the applications/credentials will be conducted before interview/appointment. Any discrepancy found during the detailed scrutiny will result in the rejection of the candidature.

KASE reserves the right to shortlist only a limited number of candidates for test/group discussion/interview, as the case may be for the posts based on marks secured in their qualifying examination and/or years of relevant experience. Candidates should clearly mention the marks scored in their qualifying examination in the application. The onus of proving the conversion from grade/CGPA to percentage of marks would rest with the candidate.

Canvassing in any form will lead to disqualification. In the event of any information provided by the candidate being found false or incorrect at any stage, their candidature/appointment is liable to be cancelled/terminated without any notice. KASE reserves the right to fill or not to fill the post advertised.
